Jeanette Nuñez, President
Florida International University

SPONSORSHIP PACKET

South Florida After-School All-Stars (SFASAS) is proud to mark our 30th anniversary with a spectacular gala, bringing together community leaders, philanthropists, corporate partners, educators, and supporters for an unforgettable evening that honors the power of after-school and summer programs and the students whose lives they transform. Guests will enjoy a lively cocktail reception, inspiring program presentations, dinner, entertainment, and special moments highlighting the impact of SFASAS throughout our community.

Proceeds from the gala directly support our programs and mission to provide comprehensive after-school programs that keep students safe, engaged, and inspired to succeed in school and in life. Through academic support, enrichment opportunities, mentorship, wellness initiatives, and career readiness programs, SFASAS empowers almost 6,000 underserved youth each year to reach their full potential.

This event plays a vital role in helping us continue to expand our reach and deepen our impact. The generosity of sponsors and supporters like you makes this work possible. We hope you will consider partnering with us as a sponsor and investing in the future of our All-Star students.

Sponsorship opportunities and benefits are outlined on the following pages. Please contact us with any questions or for additional information.
